

PUBLIC NOTIFICATION

The City of Doral Police Department has been allocated \$60,171 from the Recovery Act: Edward Byrne Memorial Justice Assistance Grant (JAG) Formula Program. In order to receive these funds, the Doral Police Department must submit an application indicating how these funds will be used.

The Doral Police Department has decided to use these funds to purchase Incident Command Software. Incident Command Software is used for the management of search, rescue and emergency response missions. This software will provide command, operations, planning, logistic and GIS-Mapping functions to manage every type of emergency-response mission. An example would be a natural disaster, like a hurricane.

Funds from this grant will also be used for Rapid Action Training for our police officers. This course is to familiarize officers with effective tactics to deal with active shooter incidents. Particular emphasis on school related shootings, shopping centers and office buildings.

This notification is open for public comment. Please note that the grant application will be submitted by May 18th, 2009.
